

# "See Thru Pipe Reel" Conversion Kit

## Advantages:

- Strongest reel available due to the thickness of our tubing.
- Finger use the patented Gentle Finger design.
- Fingers are guaranteed one year against breakage.
- Some of the reel kits come with all new bearings and endshield kit.
- Easy to install - 2 people can install in a forenoon
- Eliminates "reel wrap" which is so common on wood and tear drop reels.
- Eliminates the use of steel fingers used on wood bat reels (no more broken cutterbars components!)
- Lower maintenance compared to OEM pipe reel kits (bats last longer).

## Pricing:

- Replacement reel for woodbat HCC and some HCC tear drop reels is \$55.00/ft.
- Replacement reel for Love Tear Drop reels \$60.00/ft.
- Replacement reel for Case-IH HCC tear drop reels is \$65.00/ft. (Includes reel arms)
- Replacement reel for all HCC OEM pipe reels is \$65.00/ft.

## Other Info:

- Painting (paint included) & Minimal welding required
- Comes complete with hardware
